

## Foundations of Professional Health Practice Exam Notes

### Referencing

#### **In-text citations:**

Miller and Collins (2009) OR (Miller & Collins, 2009)

Quotes: “ \_\_\_\_\_ ” (Brown, Robinson, & Brown, 2008, p. 112).

Use p. for a single page, pp. for double pages.

**Book:** Gradel, E., Kolaitis, P. G., Libkin, L., Marx, M., Spencer, J., Vardi, M. Y., ... Weinstein, S. (2007). Finite model theory and its applications. Berlin, Germany: Springer.

**Journal Article:** Pope, J., & Owen, A. D. (2009). Emission trading schemes: Potential revenue effects. Energy Policy, 37(2), 45-46. <http://dx.doi.org/10.1016/j.enpol.2009>

**Web Page:** Steel, W. (2008). Hints for web authors. Retrieved from <http://www.mcsr.edu/~mudws/webhints.html>

**3,4,5 authors:** Cite all authors the first time the reference occurs. In subsequent citations, include only the surname of the first author followed by et al.

**6,7 authors:** Cite only the surname of the first author followed by et al.

**8+ authors:** Cite only the surname of the first author followed by et al. AND in the reference list, list the first 6 authors, followed by 3 full stops (...) then the last author's name.

#### **Figure from a journal article:**

Include under figure: Figure 1. Impact of perinatal insults. Adapted from “Developmental Programming,” by V. Pad, R. C. Card and M. Putta, 2016, Endocrinology, 157(4), p. 1329. Copyright 2016 by the Endocrine Society.

Include in reference list: Pad, V., Card, R. C., & Putta, M. (2016) Developmental programming. Endocrinology, 157(4), 1328-1340. <http://dx.doi.org/10.1210/en.2016-1003>

#### **Table from a journal article:**

Include under table: Adapted from “Prevention of Breast Cancer (Part 1),” by M. T. Tirona, R. Seghal and O. Ballester, 2010, Cancer Investigation, 28, p. 744. Copyright by Informa Healthcare.

Include in reference list: Tirona, M. T., Seghal, R., & Ballester, O. (2010). Prevention of breast cancer (part 1). Cancer investigation, 28, 744.

### Gibbs Reflective Cycle

- **1. Description:** What exactly happened? Briefly describe the event as objectively, accurately and concisely as you can. Who was involved? Where did it happen? Objectively, in what ways was this experience similar or different to others you have had?

- **2. Feelings/reactions:** What did/do you feel about the experience? What were your reactions and feelings, both positive and negative...at the time?...afterwards?
